

Murder By Death, Flamenco's Fuckin Easy

Life in the city
everyone's busy
packin' portfolios to kill competition
hey boss, hey boss i'm capable;
of making your life easier;
but i'm drunk on promotions.
can i get you some coffee?
can i make you some copies?
have you seen my resume?
i'm a regular go-getter.
hey boss, hey boss i'm capable;
of making your life easier;
but i'm drunk on promotions.

i'll take the slow life
like a cowboy strayin' 'cross the open plains
wandering without fear of a monday.

hey boss, hey boss i'm capable;
of making your life easier;
but i'm drunk on promotions.
