Murder By Death, Three Men Hanging

Get on with it
Put off the fuss you chickenshit
Get on with it
Can't you see it's time to quit

I seen three men hanging from a sycamore Their bodies were stiff as a 2 x 4 And their heads were tilted towards the dirt

And it ain't been long since they been up there That their bodies turned cold hangin in the air They mighta froze before that noose got to them

Old scratch has dealt us a dirty hand He had the look of a saint but the greed of a man and his face was worn and wrinkled like a leather book

And if I put this revolver to my head Will God turn against me instead of taking pity on a broken man?
