

Murder City Devils, I'll Come Running

Matter of fact,
you're on the right track,
my future looks black and blue.

Didn't take long,
to see I was wrong,
I still got it strong for you.

I'll come runin' yeah, (I'll come runing yeah)
if you want me to, (if you want me to)
I'll come runin' yeah, (I'll come runing yeah)
because i'm done in yeah,
without you.

I'd give my last shirt,
to take back the words,
that brought all that hurt upon us.

Both made mistakes,
had some bad breaks,
we got what it takes to go on.

I'll come runin' yeah, (I'll come runing, yeah)
if you want me to, (if you want me to)
I'll come runin' yeah, (I'll come runing, yeah)
because i'm done in yeah,
without you.

I'll come runin' yeah, (ill come runing, yeah)
if you want me to, (if you want me to)
I'll come runin' yeah, (ill come runing, yeah)
because i'm done in yeah,
without you,
without you.
