

# Murder Squad, Sacrificial Strangulation, Beating /

Helpless you're lying on the bench of desecration  
Cold bloodsoaked slab of whitest marble  
See gods priest hover high above  
Feel him puke and cum over your face  
Blood Piss Shit Fuck  
Puke Cum Death  
Choke as he grabs you around your neck  
Beaten and raped forced to suck his throbbing pole  
Bow your head and bare your neck  
Tempered steel through flesh and bone  
So how does it feel when your head rolls away  
Any closer to god than yesterday?  
Your headless corpse is sodomized  
Gods grace be with you my child  
Blood Piss Shit Fuck  
Puke Cum Death
