Murmurs, Genius

She's got something to say to the world She wants to know if she could tie it up So it can't move, she is feeling inspired She said it's too cool for it's own good

She's kinda freaky She's kinda weird She's kinda freaky But I don't know I think she's a genius

If she could only just slow it up Then she could get out really quickly She thinks the chances are Pretty high, pretty high, pretty high

She's kinda freaky She's kinda weird She's kinda freaky But I don't know I think she's a genius

She had that slow motion thing happen And she wants to tell you about it But you know, you know, you know She does not trust you She knows all you are is lucky

She's kinda freaky She's kinda weird She's kinda freaky... But I don't know I think she's a genius
