

# Murmurs, Sucker Upper

Asexual, far from intellectual  
Fashion stealer, free-wheeler  
Bats her eyes to cover up her lies  
She's a sucker upper, starfucker  
And I'm gonna blow her cover

My friend, my friend saw you in a coffee shop  
She thought you were cute, she thought you were hot  
But I thought not.  
She's trash, she's pretty  
She's good enough to do  
But we got bored  
Now everyone's over you.

Asexual, far from intellectual  
Fashion stealer, free-wheeler  
Bats her eyes to cover up her lies  
She's a sucker upper, starfucker  
And I'm gonna blow her cover

Fix it, strap it  
Wrap it around your arm  
So you won't forget  
When you're gone  
So long
