

Muse, MK Ultra

The wavelength gently grows,
Coercive notions re-evolve,
A universe is trapped inside a tear,
It resonates the core,
Creates unnatural laws,
Replaces love and happiness with fear

How much deception can you take?
How many lies will you create?
How much longer until you break?
Your mind's about to fall

And they are breaking through,
They are breaking through (x3)
(We are losing control)
They are breaking through (x3)
Now we're falling,
We are losing control

Invisible to all,
The mind becomes a wall.
All of history deleted with one stroke

How much deception can you take?
How many lies will you create?
How much longer until you break?
Your mind's about to fall

And they are breaking through,
They are breaking through (x2)
Now we're falling,
We are losing control
