She had something to confess to But you dont have the time so Look the other way You will wait until it's over To reveal what youd never shown her Too little much too late

Too long trying to resist it Youve just gone and missed it It's escaped your world

Can you see that I am needing Begging for so much more Than you could ever give And I dont want you to adore me Dont want you to ignore me When it pleases you And III do it on my own

I have played in every toilet But you still want to spoil it To prove Ive made a big mistake Too long trying to resist it Youve just gone and missed it It's escaped your world

Can you see that I am needing Begging for so much more Than you could ever give And I dont want you to adore me Dont want you to ignore me When it pleases you And III do it on my own III do it on my own
