

Muse, New One

Yeah it's bugging me
Strangling me
And twisting me around

Yeah I'm endlessly
Caving in
And turning inside out

Cause I want you now
Yeah I want you now
Give me your heart and your soul
Cause I want you now
And I want you now
Give me complete control

Play with me
Break me
And broken pieces shine

You'll be endlessly
Trailing
And dreaming of my love

Cause I want you now
Yeah I want you now
Give me your heart and your soul
Cause I want you now
And I want you now
Give me complete control
