

Muse, Please, Please, Please Let Me Go

Please, please, please let me get what i want
Good times, for a change.
See the luck I've had, could make a good man turn bad
So please, please, please let me, let me, let me...
Let me get what I want this time.
Haven't had a dream in a long time.
See the life I've had, could make a good man bad.
So for once in my life, let me get what I want...
Lord knows, it would be the first time.
Lord knows, it would be the first time.
