## Muse, Space Dementia

H8 is the one for me It gives me all I need And helps me coexist With the chill

You make me sick Because I adore you so I love all the dirty tricks And twisted games you play On me

Space dementia in your eyes and Peace will arise And tear us apart And make us meaningless again

Mmmm, yeah You'll make us wanna die I'd cut your name in my heart We'll destroy this world for you I know you want me to Feel your pain

Space dementia in your eyes and Venus will arise And tear us apart And make us meaningless again
