## Muse, Starlight

Far away The ship is taking me far away Far away from the memories Of the people who care if I live or die

Starlight I will be chasing the starlight Until the end of my life I don't know if it's worth it anymore

Hold you in my arms I just wanted to hold You in my arms

My life You electrify my life Let's conspire to ignite All the souls that would die just to feel alive

But I'll never let you go If you promised not to fade away Never fade away

Our hopes and expectations Black holes and revelations Our hopes and expectations Black holes and revelations

Hold you in my arms I just wanted to hold You in my arms

Far away The ship is taking me far away Far away from the memories Of the people who care if I live or die

And I'll never let you go If you promise not to fade away Never fade away

Our hopes and expectations Black holes and revelations Our hopes and expectations Black holes and revelations

Hold you in my arms I just wanted to hold You in my arms I just wanted to hold
