

Music Video, Blow Up Doll

I am so amused by you
And I can see that you are to
Tell me please, id like to know
How does it feel to be completely shallow?

I don't know what to see in you
I never thought I knew how to feel like you
I don't know what to see in you
I never thought I knew what to feel for you

You want me to look at you
You, so young and so confused

Tell me please, id like to know
How does it feel to be completely shallow?
Tell me please, Id like to know
How does it feel to be completely hollow?
