

# Musikk, Summer Lovin

High night color light  
Soft hips and pinned lips  
You give one look and i was sure  
Cause you know summer lovin is on

You turn me on  
You set me free  
There ain&#039;t no place  
I would rather be  
And now it&#039;s time you should be mine  
And yeah you know summer lovin is on

I feel so free  
Cause summer lovin is on (4x)

Girl we can go nanana  
If you wanna go we can do nanana  
Just let me take you home we can try nanana  
Baby let me show you how to do nanana (2x)

One rule keep your cool  
I assure i got my eyes on you  
Give me one chance just one dance  
Cause I know summer lovin is on

You turn me on  
You set me free  
There ain&#039;t no place  
I would rather be  
And now it&#039;s time you should be mine  
And yeah you know summer lovin is on

I feel so free  
Cuz summer lovin is on (3x)

I fell so  
I fell so  
I fell so free (2x)
