

Musiq, Babymother

Conversation:

Yo Zac, I got something to tell you

Aight wassup?

I'm late

You late

Yeah

What you mean, I mean you late for work or something?

No, I'm late

Aight, you late or you late, late

I'm late,late

Word?

Yeah, word.

Laying here just contemplating how

Life would be if I settle down with you

Cause the thing I fear yeah

Is going on with us right now

And the crazy thig is I don't really know how I feel about it

Chorus

What went on with you and I

Was only planned for just a night

But it seems like something much more was made of it

(and oh girl) So whatever you decide is just whatever you decide

And I'm a have to be alright and just roll with it

Now listen here baby

I don't meadn to scare you but I

See I'm not really ready for a child

In my life right now

And let's keep it real girl

You don't really know me and I

I've only known you for a little while

So I guess we got a lot of things to figure out

I'm having mixed feelings bout it cause

The idea of it sounds kinda nice but

We both gotta be clear about what it was

Cause we can't say that it happened out of love

Now I know I know you really want to keep it baby

So I support you and I'm always gonna be here babe

For our baby

To make sure that he or she doesn't grow up and make the same mistake that we made

Chorus

Listen, You know how people are you know there gonna talk s***

So be prepared cause we doing this regardless

Of what my mother say or what your father say

We just gotta make sure we on the same page

Cause this is ours it involves nobody else

Don't get me wrong we can always use a little help

But honestly all we got is each other

And the fact is Im the father and you're the mother of this kid

Chorus

(So let's deal with it. Make no mistakes about it let's be real with it. If anybody gotta problem I'm a c
