

Musiq, Change

Lately you've been questioning
If I still see you the same way
Cause through these trying years
We gonna both physically change
Now don't you know you you'll always be
The most beautiful woman I know
So let me reassure you darlin that
My feelings are truly unconditional

Chorus:

See I'll love you when your hair turns gray and
I'll still want you if you gain a little weight and
The way I feel for you will always be the same
Just as long as your love don't change, No

I was meant for you and you were meant for me yeah
And I'll make sure that I'll be everything you need yeah
girl the way we are is how its gonna be
Just as long as your love don't change

Cause I'm not impressed, more or less
By them girls in the TV and magazines
Cause honestly I believe that your beauty
Is way more than skin deep
Cause everything about you makes me feel
I have the greatest gift in the world
And even when you get on my last nerve
I couldn't see myself being with another girl

Chorus

So don't waste your time worrying bout
Small things ain't releavant to me
Cause to my understanding you're all I want and need
See what I'm trying to say is I'm here to stay
And as long as your love don't change
Baby, baby darling I swear that I,
I swear I ain't going nowhere no.

Chorus

You are my baby
Don't you change baby
I love you, got to know,
Yeah, yeah
