

Musiq, Dontchange

Lately you've been questioning if I still see you the same way
Cause through these trying years we gonna both physically change
Now don't you know you'll always be the most beautiful women I know
So let me reassure you darling that my feelings are truly unconditional, see

(Chorus)

I'll love you when your hair turns grey girl
I still want you if you gained a little weight, yeah
The way I feel for you will always be the same
Just as long as your love don't change (no)
I was meant for you and you we're meant for me, yeah
And I make sure that I'll be everything you need, Yeah
Girl the way we are is how it's gonna be
Just as long as your love don't change

Cause I'm not impressed more or less by them girls on the TV or magazines
Cause honestly I believe that your beauty is way more then skin deep
It's everything about you makes me feel I have the greatest gift in the world
And even when you get on my last nerve
I couldn't see myself being with another girl

(Chorus)

I'll love you when my hair turns grey girl
I still want you if you gained a little weight, yeah
The way I feel for you will always be the same (just as long)
Just as long as your love don't change (just as long as your love yeah)
I was meant for you and you we're meant for me, yeah (meant for me)
And I make sure that I'll be everything you need, yeah
Girl the way we are is how it's gonna be (just as long yeah)
Just as long as your love don't change (yeah)

So don't waste your time worrying about
Small things that ain't relevant to me
Cause to my understanding your all I want and need
See what I'm gonna say is I'm here to stay
And as long as your love doesn't change for me
Baby darling I swear that i, I swear I ain't going nowhere (no)

(Chorus)

I'll love you when your hair turns grey girl
And I still want you if you gained a little weight, yeah
The way I feel for you will always be the same (just as long)
Just as long as your love don't change (just as long as your love stays the same yeah)
I was meant for you and you we're meant for me, yeah (meant for me)
And I make sure that I'll be everything you need, yeah
Girl the way we are is how it's gonna be
Just as long as your love don't change

(Choir and Musiq)

You are my baby (you're my baby yeah yeah)
Don't you change baby (don't you change baby no)
I love you I do know (baby you gotta understand that I love you baby yeah yeah)
(Don't you know, you gotta know you got to know) (Yeah oh oh yeah)
