

# Musiq, Previouscats

First things first girl,  
Recognize who is with you now  
Second thing, can't blame me for how  
You were treated before I came  
See I'm not Steven, Anthony even  
Leroy or Ivan, Damn girl I've been  
Right there for you since day one  
So where is all this coming from  
See now

Chorus:

I'm not to blame for the pain that was caused by previous cats  
Who had your heart before me  
I'm not to blame for the pain that was caused by previous cats  
You gotta see me for me

Now what is with all the questioning about where I've been  
And why must you roll your eyes when I say she's just a friend  
I knew before  
Not like I called you Sabrina  
Pam or Tenisha, Andrea either  
Girl we go deeper than any other I had before  
So tell me why you ignore  
See now

Chorus

Bridge:

Now...  
I don't know what those young boys did  
To make you insecure  
But I think you need to let it go (let it go)  
Don't let your past get all in the way  
Cause what is here today  
May not be guaranteed tomorrow  
I'm not out of line, just speaking my mind  
When I say that I put in too much time  
For another brother's crime  
Girl...

Chorus x2
