

Musiq, Religous

One Sunday morning I woke up with you on my mind
Cuz I knew later on I'd see you in your glory looking so fine.
Now I could be a little forward and do things to show you how I feel
But I don't want to be disrespectful,
so I just be waiting for the day you try to baptize me
with
your kiss.

(Chorus)

The more I get to know you I hope and pray to
Everyday do whatever's righteous and true
Cuz your love is so religious
And Babygirl don't you know I worship the ground that you walk on, live by your
every word cuz your love is so religious.

I wanna thank your father for making you on that day
And give blessings to your mother for raising you so heavenly.
Now in my heart I know for certain without an ounce of doubt in my mind.
That I can preach a whole entire sermon just to testify on the goodness of your love.

(Chorus)

What I want is your love, take me higher baby, take me higher,
what I believe, you're what I
need to live a life of wholesome and good love.

(Chorus x2)
