

# Musiq Soulchild, Caughtup

[Verse 1]

Just a few years ago she was too young for me to know  
So I had to let her go  
It kinda hurt to make a young jawn cry  
Now just yesterday I saw her around the way  
And we sparked up a little conversation  
She been diggin on me like a goldminer  
And since then she got a whole lot finer and

[Chorus]

I'm caught up with her, I'm so caught up with her  
I'm caught up with her, I'm so caught up with her

[Repeat 3x]

[Verse 2]

She got book intelligence street common sense  
Ain't down for the bull...  
She can switch her mode from corporate to ghetto  
Even when she gone represent  
She's that keep it real type  
Cause see she's very opinionated  
You can take it how you want it  
Either you love it or you hate it see but

[Chorus]

[Bridge]

Now I'm older and I'm wiser  
Now my mother and my father know all about you,

[Chorus 4x]
