

Musiq Soulchild, Love

[Verse 1:]

Love

So many things I've got to tell you

But I'm afraid I don't know how

Cause there's a possibility

You'll look at me differently

Love

Ever since the first moment

I spoke your name

From then on I knew that by

you being in my life

Things were destined to

change cause.....

[Chorus:]

Love

So many people use your name in vain

Love

Those who have faith in you

sometimes go astray

Love

Through all the ups and

downs the joy and hurt

Love

For better or worse I still

will choose you first

[Verse 2:]

Many days I've longed for you

Wanting you

Hoping for the chance to

get to know you

Longing for your kiss

For your kiss, for your

touch, for your feel, for your essence

Many nights I've cried from

the things you do

Felt like I could die from the

thought of losing you

I know that you're real

With no doubt or no fears

Or no questions

[Chorus:]

Love

So many people use your name in vain

Love

Those who have faith in you

sometimes go astray

Love

Through all the ups and

downs the joy and hurt

Love

For better or worse I still

will choose you first

[Hook]

At first you didn't mean

that much to me (No)

But now I know that you're all I need (more)

The world looks so brand new to me

Now that I found love

Everyday I live for you (yea)

And everything that I do

I do it for you

What I say is how I feel so

believe it's true

You got to know I'm true, love

[Chorus:]

Love

So many people use your name in vain

Love

Those who have faith in you

sometimes go astray

Love

Through all the ups and

downs the joy and hurt

Love

For better or worse I still

will choose you first
