

Musiq Soulchild, Loveofmylife

[Verse 1]

It's really over now, She ain't comin' back
I really don't know how, things ever got this bad cause I
I said sorry way too much, this time sorry ain't enough
And now she's gone, and it's only now, that I realize
How much she means to be without

[Chorus 1]

I could loose a car, even my deposit
Still I'm with her, still can't live without the love, of my life
And, everybody knows, money comes and goes
There's never enough but it still ain't much
Without the love, of my life

[Verse 2]

I thought that I was right, for trying to be the man
I was hustling to provide, but I guess I didn't understand that
The part that I was making the living for
I dunno why, I was just givin' up
That's why she's gone, cause she's tired of fighting
And I'm tryna' find what I should do to get her back
Cause I

[Chorus 2]

I could loose a car, even my deposit
Still I'm with her, still can't live without, the love, of my life
And, everybody knows, money comes and goes
There's never enough but it still ain't much
Without the love of, (of my life)

[Bridge]

Cause right now, Uh (there ain't nothing in this world)
That matter (That is more than my girl)
So no matter what I (I gotta make it right)
Cause she's been (Since she didn't met us alone)
I hate my self no (I hate, me when I'm all alone)
I don't know if there's anything I could do
But I gotta find my way back to her heart
(Back to her heart, and)
(Then, do my part) {My heart}
(Back to her heart, and)
(To her heart)
So sorry for everything I ever did
If you leave me now, I don't think that I could handle it
I don't deserve another chance; but if you just give me one more
I'll give you a better man

[Chorus 2x]

I could loose a car, even my deposit
Still I'm with her, still can't live without, the love, of my life
And, everybody knows, money comes and goes
There's never enough but it still ain't much
Without the love, of my life
