

Musiq Soulchild, Moneyright

[Talking]

[Musiq] Hey girl

[Girl] Hey

[Musiq] You know I got you right

[Girl] Yeah

[Musiq] I just wish, I could do a 'lil more for ya

[Girl] I know, but, It's coo

[Verse 1]

If I had an extra dollar, I'd buy you the world

But with the change I'm makin', know I just can't, give it to you girl

Uh, Oh

And when I get a minute, I'll spend the life with you

But all the time I spend grindin just ain't enough for me and you

Now I know that

[Hook 1]

Been around, holdin' me down, for a while now

And you never ever complain about, nothing cause you know

I would take you out, and make you smile, some how some way

Even though I know its not much today

But I know we always got tomorrow, If I gotta beg and borrow

I'ma make you happy baby

[Chorus]

I promise

Soon as I get my money right, I'ma take good care of you

Oh, Oh, Oh-Oh

Just like I'm suppose to

Oh, Oh, Oh-Oh

Baby you believe me don't you

I promise

Soon as I get my money right, I'ma take good care of you

Oh, Oh, Oh-Oh

Just like I'm suppose to

Oh, Oh, Oh-Oh

Baby you believe me don't you

{I Promise}

[Verse 2]

Aye, Now if I had the power, I'd make your dreams come true

But when I barely sleep and hardly eat at, the end of the day I'm through

Yeah, Ah

If I could tell the future, I still wouldn't change a thing (Oh noo)

Because I know no matter what I got girl, it still won't be the same

Cause I know you

[Hook 2]

Been around, holdin' me down, for a while now

And you never ever complain about, nothing cause you know

I would take you out, and make you smile, some how some way

Even though I know its not much today

But I know we always got tomorrow, If I gotta beg and borrow

I'ma make you happy baby

[Chorus]

I promise

Soon as I get my money right, I'ma take good care of you

Oh, Oh, Oh-Oh

Just like I'm suppose to

Oh, Oh, Oh-Oh

Baby you believe me don't you

I promise

Soon as I get my money right, I'ma take good care of you

Oh, Oh, Oh-Oh

Just like I'm suppose to

Oh, Oh, Oh-Oh

Baby you believe me don't you

{I Promise}

[Bridge]

Aye (Aye)
My datin' days are dead and gone
Aye (Aye)
I already know that you're the one
Oh-Ooh-Oh
I'm doin' everything for us
Oh-Ooh-Oh
I can't go no where else but up
Aye (Aye)
Together we could reach the sky
Aye (Aye)
As long as I got you by my side
Oh-Ooh-Oh
Everything is gonna be alright
Oh-Ooh-Oh
Just watch me baby
[Chorus 2X]
I promise
Soon as I get my money right, I'ma take good care of you
Oh, Oh, Oh-Oh
Just like I'm suppose to
Oh, Oh, Oh-Oh
Baby you believe me don't you
I promise
Soon as I get my money right, I'ma take good care of you
Oh, Oh, Oh-Oh
Just like I'm suppose to
Oh, Oh, Oh-Oh
Baby you believe me don't you
