

# Musiq Soulchild, Thequestions

[Verse 1:]

When I think about all the girls I'm with all the time  
Yes I like to please their bodies but I feel like it's a waste of time  
Can you tell me what is wrong  
I'm supposed to love the fact that I never gave a girl my heart  
If I told her I did I lied and instead I tore her's apart  
Can you tell me how long cause

[Chorus:]

Right now I just wanna be staring into your eyes  
Right now I'm so lost but when I find you I'll be found  
And I won't have to ask all these questions like can someone tell me where you are

[Verse 2:]

What'll happen if i settle and just go along with what I have  
Cause there's a difference between good and great  
And good wasn't built to last  
Can you tell me is this all for me

[Chorus]

[Bridge:]

What would it take to be  
In a love I know that's right for me  
And I know that you don't even know me yet  
But I believe that one day I'll be where you are
