

# Musiq, Speechless

Got me really speechless babe  
You got me really speechless babe

Verse I:

Darling baby  
Got me going crazy  
I can't seem to get you out of my  
You look so good to me gotta tell  
Even my friends wonder about me  
Day and night I think about you  
Don't know what I go through to forget about you  
I can't say that I know much about you  
Can't say that you know much about me

Hook:

All I know you got me speechless (x2)

Verse II:

Now I've seen plenty girls in my  
Like you I never had the pleasure  
Before I get too far ahead of my  
Heart says I need to be wit you I  
I don't mean to be comin' off like  
I apologize if I'm being  
But I'm really diggin on  
And I'm hoping you feel it too

Hook (x2)

Bridge:

What I can't figure out is  
Why it's so hard for me to find  
The right words to say to you no matter how many words I use  
Nothing's good enough to tell you how I feel about you baby  
How, how, how
