

Musiq, Teachme

Verse 1

I was told the true definition of a man was to never cry
Work til you die (Yeah)
Got to provide (Yeah)
Always be the rock for my fam
Protect them by all means
And give you the things that you need, baby
Our relationship is suffering
Tryna give you what I never had
You say I don't know how to love you, babe
Well, I say show me the way
I keep my feelings deep inside
I shadow them with my pride
I'm trying desperately,
Baby, just work with me

Chorus

Teach me how to love
Show me the way to surrender my heart (My heart)
Girl, I'm so lost (Yeah)
Teach me how to love (Yeah)
How I can get my emotions involved
Teach me

Show me how to love (To love)
Show me the way to surrender my heart (Surrender my heart)
Girl, I'm so lost (Lost)
Teach me how to love
How I can get my emotions involved (Emotions involved yeah)
Teach me how to love

Verse 2

I was always taught to be strong
Never let them think you care at all
Let no one get close to me
Be for you and me
I done shared things with you girl about my past that I'd never tell
To anyone else (No)
Just keep it to myself (Yeah)
Girl I know I lack affection and expressing my feelings
It took me a minute to come and admit this
But see I'm really trying to change now
Wanna love you better, show me how
I'm trying desperately
Baby, please work with me

Chorus

Teach me how to love
Show me the way to surrender my heart (The way to surrender)

Baby, show me where to start
