

Mustard Plug, Just A Minute

just a minute at a time
will you ever see it my way
see it my way
til we can see eye to eye
will you ever take it all away
take it all away
i cant fake it
and you wont try
i cant leave until you
find
that we fall
behind
theres too much i cant keep in touch
and thats why i still mind
that we all
should find
another chance to really look
and leave this all behind, all behind
another time another line
take it back until you find a way
til you find a way
that we need to recognize
find a way now how to realize
why we need to try
