Mustard Plug, Just A Minute

just a minute at a time will you ever see it my way see it my way til we can see eye to eye will you ever take it all away take it all away i cant fake it and you wont try i cant leave until you that we fall behind theres too much i cant keep in touch and thats why i still mind that we all should find another chance to really look and leave this all behind, all behind another time another line take it back until you find a way til you find a way that we need to recognize find a way now how to realize why we need to try
