

Mustasch, Kill You For Nothing

I don't like your kind
Don't you waste my time
I don't want to have you around

My embassy
Has been closed for years
I can't feel sympathy

Jesus Christ is walking again
But he won't stand up for me

Cause I Kill You For Nothing

If you're feeling down
Really down and out
Don't you take it out on me

Don't you waste my time
I don't like your kind
I don't want to have you around

Jesus Christ is smoking again
But he won't pass on to me

Cause I Kill You For Nothing
