

# MuteMath, Plan B

Fall out, fall through, fall apart  
The endless cycle once I start  
Plan B, Plan C, watch it go  
And crumble into broken hopes

All around I fall apart and can't you see I'm  
All around I'm all apart and can't you see I'm  
All around I'm all apart and can't you see I'm  
All around I'm all apart and can't you see I'm
