

# MxPx, Begin To Start

They say to me "Don't be hangin' on.  
If you won't go on, Do I want to?"  
Pray to see and pray to know  
Provide for me won't let it go.  
Life confuses me (life confuses me) can't find my way  
Out of here I think I'd rather stay. (Rather stay)  
I think I'd rather stay.  
When do I begin to start?  
Begin to let you into my heart?  
Why so sad when I look at you  
'Cause I'm away. I know I feel it too.  
Life confuses me (life confuses me) can't find my way  
Out of here I think I'd rather stay. (Rather stay)  
I think I'd rather stay.  
When do I begin to start?
