

# MxPx, Rainy World

They just point the finger they don't care  
they don't think i know you think  
where did i go wrong? what did i do?  
where did i conflict with you?  
you can't tell me that you care  
when you're never ever there  
i don't ask a lot from you  
but you've got better things to do  
i thought i knew you i don't know  
do you just want me to go? cause i'll go  
actions over words to you i'm nothing  
you seem so far away where are you today?  
don't just leave me in a box  
then walk away  
don't just put me in a box  
for a rainy day  
for a rainy day...
