

# MxPx, The Wonder Years

I don't understand what's going on in my life these days  
Everything upside down turned around  
Won't waste my life, no way  
And I don't know why

I can't see clearly?  
I can't think 'cause it's too early  
So many doubts frequent my mind all the time

Our lives in general are one in the same,  
But there's no variations  
Our lives in general are on in the same  
But there's no difference of opinion

In my younger years, I used to be so free  
But I don't know what's happening to me  
We all know by now that time's the enemy  
It controls us, tells us where to be

Don't know, don't care  
If you need me, I'll be right here
