

MxPx, Thoughts And Ideas

Are you intellectual?
Do you really think you're in control?
You know what you believe, illogical,
you don't perceive what are we doing here?
Our lives aren't even worth a can of beer
If the absolute does not exist
you're just another number on a list
you refuse to take some one else's thoughts & ideas
It might point out your mistakes
then you'll have to change your criteria
Take the time to reflect
The status quo before you reject
the opportunities given to you
how can there be an issue of morality?
If there is no absolute, everything is relative
