

# MxPx, Too Much Thinking

i can't get to sleep at  
night just thinking about  
the day that you'll be  
here everything's gonna  
be alright when i'm  
thinking about holding  
you near will you look  
away from me? please  
don't look away from me  
i'm gonna sit and  
consider flowers i'm  
gonna sit and think for  
hours  
right now the box i'm in  
well it's a good box i  
hope you'll open it the  
way i see it in my mind is  
you are here and there  
you're gonna sit will you  
look away from me?  
please don't look away  
from me  
what it comes down to is  
this with my  
expectations did i miss  
the way you felt for me  
or did you ever want for  
this to be?
