

MxPx, Want Ad (Alternate Version)

I need the kind of girl that knows
A girl that likes to wear my clothes
Someone who always buys my Coke
A girl that laughs at all my jokes

That's the girl that I want see
Fall in love with me
That's the girl that long to know
And how I love her so

I need a girl that writes me songs
And talks to Jesus all day long
And the way she does her hair
No one else can compare

That's the girl that I want to see
Fall in love with me
That's the girl that I long to know
And how I love her so

I'll probably meet her at a show
And when I look at her I'll know
That's she the perfect one for me
And with I'll always be

One for me, one for me
She's the only one
One for me, one for me
She's the only one for me
