

MxPx, Yuri Wakes Up Screaming

Yuri wakes up screaming
Yuri wakes up screaming
Oh, Yuri wakes up screaming

Yuri must be dreaming
When Yuri wakes up screaming

Yuri wakes up screaming
Yuri wakes up screaming
Oh, Yuri wakes up screaming
Oh, Yuri must be dreaming

Yuri wakes up screaming
Yuri wakes up screaming
Yuri must be dreaming
When Yuri wakes up screaming

(ah, ah, ah get me out of here, ah....mommy?)

Yuri needs a lot of sleep
Yuri needs a lot of sleep
Yuri needs a lot of sleep or he might die
Or he might die!

(I'm scaring the crap out of you
In the middle of the night)
