

My American Heart, Don't Sleep

And the phone, it rings without a pulse
But I can't wait
I can't wait for the truth
'Cause I know it won't come from your lips

And the sound, it makes it's way down through the hall
And into my
And into my room
And I don't know what to do
'Cause I can't wait
I can't wait for the truth

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so sound)
'Cause the town still sleeps the same with you away
Don't wait, don't drown the thoughts you like
(Don't wait, don't drown your thoughts)
'Cause everything is fine without you

And I finally found the nerve to hear your falses
A game of pulses racin'
Over and over again
(Over and over again)
Over and over again she said
I won't begin to ask you why you're leavin'
(Why you're leavin')
Or why you did those things you did
Or why you said those things you said

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so sound)
'Cause the town still sleeps the same with you away
Don't wait, don't drown the thoughts you like
(Don't wait, don't drown your thoughts)
'Cause everything is fine without you

And your lights go out
Yeah the air is so much easier to breathe
And my last farewell to you
Might as well be said right here, right now

Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so sound)
'Cause the town still sleeps the same with you away
Don't sleep, don't sleep so sound tonight
(Don't sleep, don't sleep so sound)
'Cause everything is fine without you
