

My American Heart, The Shake (Awful Feeling)

Oh, the brilliant mistakes that you seem to make always push me away.
and now you're steppin' on my feet, steppin' on my feet,
cause you were never on my side.

so i'll throw my thoughts into the sea,
where no one will ever find,
and your marvelous episodes of pain will very soon be mine.

i can't seem to shake this awful feeling,
you want, you want, you want me out,
and i can't believe.

they say a mind is a terrible thing to waste,
what good is mine if i'm locked up in a cage?
i was hoping you could help me out of here,
so i could finally disappear.

i'll throw my thoughts into the sea,
where no one will ever find.

i can't seem to shake this awful feeling.
you want, you want, you want me out,
and i can't seem to...

i can't seem to shake this awful feeling.
Lyrics

you want, you want, you want me out,
and i can't believe.

so i'll throw my thoughts into the sea,
where no one will ever find.
and your marvelous episodes of pain,
will very soon be mine.

i can't seem to shake this awful feeling,
you want, you want, you want me out.
and i can't seem to...

i can't seem to shake this awful feeling.
you want, you want, you want me out...
and i can't believe.
and i can't believe.
