My American Heart, There Are More Frightening T

They say live, live and learn
But you'd rather crash and burn and talk the talk
I wanna see you burn while you walk the walk
They say live, live and die

But you rather walk away and pretend you're straight
But you walk away and you know you're crazy

All I know is you're a time bomb baby,
you're ready to explode
'Cause all I know is that you've gotten crazy
you're out of control

Oh no, here we go again
You take your drugs and you make your money
Your respect has been sold
Oh yeah

But you rather walk away and pretend you're straight
But you walk away and you know you're crazy

All I know is you're a time bomb baby
you're ready to explode
'Cause all I know is that you've gotten crazy

And you know I'll never find the time of day
To ever find the right words to say
That you've gotten so caught up in the mess you've made

All I know is you're a time bomb baby,
you're ready to explode
'Cause all I know is that you've gotten crazy
you're out of control
yeah

All I know is you're a time bomb baby
you're ready to...
