## My Black Sky, Somewhere In The Past

she looked like an angel 'cause she hides her defaults so please whe you think you love her just turn and come back!

## (chorus):

one day god decided to punish her to send her somewhere without shopping center she tought she was in Hell but she was lost somewhere in the past!

she had a big dream be like her idol not to sell ice cream bitching, f\*\*king,

shopping, that's all she's doing!

## (chorus):

But one day god decided to punish her to send her somewhere without shopping center she tought she was in Hell but she was lost somewhere in the past!

## (bridge):

we did never see her again God just rid us of this pain she's still lost somewhere in the past
