

# My Bloody Valentine, Feed Me With Your Kiss

Yeah, (can you get) what you see  
But you can't have what you can't

Hey, what's come down over me  
It's the way you stood

'Cause things the way they are  
I guess you might go real far  
So feed me with your kiss

Oh, come lie down close to me  
Do what you dare  
Oh I don't care  
I will get what I can see  
I'll crawl over there

(Spread me like a) (appeal to you)  
I do what I do I do what I will do

Crave, your kiss will set you free  
I'll do what I should
