

My Bloody Valentine, Only Shallow

Sleep
Like pillow
No one there

Where
She won't care
Anywhere

Soft
As pillow
Touch her there

Where
She won't dare
Somewhere

Sweet
And mellow
Softer there

Feel
Like you grew
Stronger there

Speak
Your trouble
She's not square

Soft
Like her silk
Everywhere

Sleep
As pillow
Comfort there

Where
She won't dare
Anywhere

Look
In mirror
She's not there

Where
She won't care
Somewhere
