

# My Bloody Valentine, Soon

Wake up  
Don't fear  
I want to  
Love you  
Yeah (doll of pain)  
I let you get to me  
Yeah yeah

Come back  
Don't be  
Afraid of me  
Soon  
That (I'll harm you)  
Your eyes are blue  
Blue jewels  
Yeah yeah

Come back  
Have faith  
Someone like you  
Can find the reason  
Of what I did to you  
Yeah yeah

Wake up  
Don't fear  
I want to  
Love you  
Yeah (doll of pain)  
I let you get to me  
Yeah yeah
