My Chemical Romance, Thank You For The Vend

Sister, I'm not much a poet, but a criminal And you never had a chance Love it, or leave it, you can't understand A pretty face, but you do so carry on, and on, and on

I wouldn't front the scene if you paid me I'm just the way that the doctor made me, on, and on, and on Love is the red the rose on your coffin door What's life like, bleeding on the floor, the floor, the floor

You'll never make me leave I wear this on my sleeve Give me a reason to believe

[Chorus] So give me all your poison And give me all your pills And give me all your hopeless hearts And make me ill You're running after something That you'll never kill If this is what you want Then fire at will

Preach all you want but who's gonna save me? I keep a gun on the book you gave me, hallelujah, lock and load Black is the kiss, the touch of the serpent son It ain't the mark or the scar that makes you one, and one, and one, and one

You'll never make me leave I wear this on my sleeve Give me a reason to believe

[Chorus] So give me all your poison And give me all your pills And give me all your hopeless hearts And make me ill You're running after something That you'll never kill If this is what you want Then fire at will

You'll never make me leave I wear this on my sleeve You wanna follow something Give me a better cause to lead Just give me what I need Give me a reason to believe

[Chorus] So give me all your poison And give me all your pills And give me all your hopeless hearts And make me ill You're running after something That you'll never kill If this is what you want Then fire at will

[Chorus] So give me all your poison (Fire at will) And give me all your pills And give me all your hopeless hearts (Fire at will) And make me ill You're running after something (Fire at will) That you'll never kill If this is what you want (Fire at will) Then fire at will
