

My Chemical Romance, The World Is Ugly

The world is ugly
But you're beautiful to me
Are you thinking of me?
Like I'm thinking of you
I could say I'm sorry
But I really need to go
I just wanted you to know

That the world is ugly
But you're beautiful to me
Are you thinking of me
'Cause I'm thinking of you
You could say I told you so
If you wanted me to go
I just wanted you to know

There's an ache in my heart
And there's a burning in my eyes
We could care a new start
[Incomprehensible]
But let me find a new place
But I think we've got to go
I just wanted you to know

Well after all, did you, get what you came for?
And after all, did you, get what you came for?

Are you happy now, now that you've got, got what you came for?
Are you happy now, now that you've got, got what you came for, for, for!
Well, are you happy now, now that you've got, got what you came for?
Well, are you happy now, now that you've got, what you came for?

(Screams and Lala's)

Now that you've got what you came for
Are you happy now?
