

My Darkest Hate, God Am I

g o d
i spoke to you
still waiting
no answer

hate is growing
so could it be
that it is
is it me?

eat my flesh
drink my blood
i am god

god am i

holy father
hope is gone
never again
i'm not your son

power is mine
now I see
the wall is broken
now I am free

eat my flesh
drink my blood
i am god

god am i

hate is growing
so could it be
that it is
is it me?

all is forgiven
now I know
it is me
now I am free

god am I
