

My Diet Pill, Sandy's Bathroom

Go into Sandy's bathroom (repeat)

Some say I won't dare to go in there
Fuck them iwill go anyway
I'm not the coward you think I am
I'm gonna prove that I deserve to be a man
And I will break in and I'll see her naked
And I will touch her tits while she's yelling
A as I remember that little song

Oh oh, you thought that I would run
Papapa
And you thought that I'd be sca-a-ared
Papapa
Now you all got to shut your mouth
I don't need no more advice
Papapa
'Cos I saw Sandy naked in her ba-a-ath

Go into Sandy's bathroom (repeat)
