

# My Dying Bride, Sear Me (English Translation)

Set her on fire  
Reject her life  
Give her to the art of adversity

Take her  
And make her  
Kill her piercing the skin

Naked, deformed  
Rotten, split

Unmature, raw  
Raped, contempt

Mordant, trample

Poison, gall  
For your crime

Amiable  
You let her die

Before you  
(...)  
Pain never ends

I free the ultimate art of  
of injustice
