

My Former Self, Nameless Change

Good evening Ms. Understood I'm feeling so wrong
That eventually this moment, will pass me along
What am i waiting for
I want to tell you now before I've lost it
Your arms could hold me hostage if they weren't already tied up in him

Can you tell by nameless change in action
I've single handedly abandon any chance I had

Good morning heartache after forfeit
I hate that I've awoken
Black and blue and broken
I've done what's best for her
I want to say this now before I've lost it
But your arms could hold me hostage if they weren't already tied up in him

leave well enough alone and she'll be better off if you just....
